- Digital
- Energy
- Financial Services
- Telecoms, Media, Technology
- Water

## Profile

Shreya is an expert in financial valuation and competition matters. She is the co-head of Oxera's Intellectual Property (IP) practice, and she specialises in advising on economic and financial valuation issues in IP disputes—having acted as a named expert in such matters. Her IP experience spans a range of sectors including telecoms, hi-tech, life sciences and financial services.

She also leads Oxera teams working on high-profile disputes involving damages quantification and competition issues in the context of commercial litigation and international arbitration. She has worked extensively on disputes relating to breach of contract and post M&A issues. Her arbitration experience includes projects under the rules of the LCIA, ICC, SCAI, SCC, GCCAC and PCA.

Shreya has been a faculty member for Global Arbitration Review's (GAR) Academy on Damages in International Arbitration since 2023. She has been listed as a Future Leader in Who's Who Legal (WWL) – Arbitration since 2021. The following are comments from her clients to WWL:

'Shreya is highly knowledgeable, hard working and fearless'

'She has excellent technical and analytical skills'

'Shreya is commercially focused, efficient and a pleasure to work with'

‘Shreya is an extremely able young expert’ and ‘incredibly clever!’

## Selected professional experience
