- Mergers

Sectors

- Financial Services
- Telecoms, Media and Technology
- Transport

Profile

Carlotta is a member of Oxera's Competition team, and works across a wide range of sectors and services within Team Italy.

Before joining Oxera, Carlotta worked for about three years at the Chief Economist Team of the Directorate General for Competition of the European Commission in Brussels, providing economic support to case teams in both mergers and antitrust instruments. She has extensive experience in mergers regarding industrial and manufacturing goods, as well as Article 101 and 102 cases in payments markets.

Selected professional experience

- Economic advice and bidding analysis in the context of a merger in the hydraulic systems sector (2020)
- Economic advice and market definition for an article 102 payment case (2020)
- Economic advice and market definition in the context of after-market cases in payment markets (2020)
- Economic advice and bidding analysis for a merger in the aircraft industry (Boeing/Embraer) (2019–2020)
- Economic advice and market reconstruction in the market for refrigeration compressors (Nidec/Embraco) (2019)
- Economic guidance on the EC side for merchants' pass-through estimation for the report on the study for the application of the Interchange fees regulation conducted by external consultants (2018–2019)
- Economic advice and vertical arithmetic for a merger in the nickel alloys market (Aperam/VDM) (2018)
- Economic advice for a merger in the aluminium industry (Hydro/Rio Tinto) (2018)

- Economic advice in the context of market data for indexes (2018)
- Economic advice post reply to SSO and application of the 'Merchant Indifference Test' of the inter-regional interchange fees in the Visa/Mastercard 101 cases (2018)
