Sectors

Profile

Mark is a member of Oxera's Competition and Efficiency teams. He has been involved in quantitative analysis across a range of projects, including merger analysis, efficiency benchmarking and market investigations.

Mark joined Oxera in 2017, after completing a Masters in Economics at the London School of Economics. He also has previous experience in economics consultancy and at the Institute of Fiscal Studies (IFS).

Selected professional experience

- Assessment of the extent of competition between airports in Australia for an Australian airport (2018–)
- Advice to a digital platform in the context of an investigation by the UK Competition and Markets Authority into a potential Article 101 infringement (2018–)
- Advice to UK water companies in the context of cost assessment modelling for the 2019 price review (2017–)
- Merger advice on a UK groceries merger (2017–18)
- Advice to a European water regulator on cost assessment and efficiency benchmarking (2017–18)

Qualifications

- MSc Economics, London School of Economics
- BSc Economics, University College London
