Expertise

- Commercial Litigation and International Arbitration
- Finance and Valuation
- Intellectual Property

Sectors

- Telecoms, Media and Technology

Profile

Yuhao is a member of the Finance & Valuation team at Oxera. His work involves applying corporate finance principles to a range of projects across sectors and geographies, with a particular focus on commercial disputes and regulatory finance.

Yuhao joined Oxera in 2018 after completing a Master's degree in managerial and financial economics at HEC Paris, France, focusing on corporate finance and microeconomics. Prior to this, he completed his undergraduate degree in Accounting and Finance at Hong Kong Polytechnic University, China. During his studies, he focused on accounting and corporate finance. He has previously worked in the accounting, banking, investment management and consulting sectors.

Selected professional experience

- Financial modelling to quantify the damage in an international arbitration between a major European oil refinery and a middle-eastern state-owned group (2018–19)
- Intellectual property valuation to determine royalty rates for 3G and 4G standard essential patents in a litigation between a European patent owner and a major Chinese handset manufacturer (2018–19)
- Profitability assessment for a company in the context of a UK Competition and Markets Authority (CMA) market investigation (2019–)

Qualifications

- MSc managerial and financial economics, HEC Paris, France
- BBA accounting and finance, Hong Kong Polytechnic University, China
