Profile

Yuhao is a member of Oxera's Finance & Valuation team, and specialises in advising companies and law firms on valuation issues in litigations and international arbitrations. He has worked on cases across different jurisdictions, including litigations before the UK, Dutch, French and Chinese courts, as well as arbitrations under the LCIA, ICC and ICSID rules. He is also a core member of the IP and High-tech team at Oxera, and has led the Oxera team in multiple IP dispute cases advising telecoms and pharmaceutical clients from Europe, USA and China.

Yuhao holds a Master's degree in Managerial and Financial Economics from HEC Paris, and an undergraduate degree in Accounting and Finance from Hong Kong Polytechnic University. Before joining Oxera, he worked in Hong Kong and mainland China at China Asset Management, China CITIC Bank International and PwC.

Yuhao is a Chartered Financial Analyst (CFA), and has completed the qualification exams of the Hong Kong Institute of Certified Public Accountants.
