Languages: English and Spanish

Expertise

- Antitrust
- Mergers

Sectors

Profile

Elisa is a member of Oxera's Competition team. She focuses on a wide range of competition issues, including mergers and follow-on antitrust damages. Before joining Oxera, Elisa worked for several years as an economist at the Chilean Antitrust Court and as an in-house economist at FerradaNehme, a law firm in Chile.

Alongside her experience as a competition economist, Elisa teaches postgraduate and undergraduate economics and competition courses at the Universidad Católica and Universidad Adolfo Ibáñez, both in Chile.

Selected professional experience

- Advice to a company in the veterinary services industry, in the context of a merger in the UK (2021–)
- Advice to a company on cyber incident reporting to the European Central Bank (ECB) (2021)
- Supporting the Oxera team in advising the Colombian government in an international arbitration about port concession (2021–)
- Supporting the Oxera team in advising milk farmers regarding a damages claim against a cartel in the fresh milk market (2021)

Selected publications

- Gorab, D. and Greene, E. (2019), 'Colusión: Interacción entre la Economía y el Derecho', chapter in A. Montoya and V. Facuse (eds), *Desafíos Fundamentales de la Libre Competencia en Iberoamérica*, Thomson Reuters.
- Greene, E. (2021), 'Chilean fresh milk market: ex-post evaluation of competition authority's decisions', UPF directory.
- Bell, J., Greene, E., Klein, T. and Niels, G. (2021), 'El daño provocado por un cártel: por qué los criterios Airtours son relevantes', *Almacén de Derecho*, Spain, <https://almacenederecho.org/el-dano-provocado-por-un-cartel-por-que-los-criterios-airtours-son-relevantes>.

Qualifications

- Master's in Competition and Market Regulation, Barcelona School of Economics, Spain
- Master in Economics (Industrial Organisation track), Pontificia Universidad Católica, Chile
- BSc Business and Economics, Pontificia Universidad Católica, Chile
